"I am a historian, I am not a believer, but I must confess as a historian that this penniless preacher from Nazareth is irrevocably the very center of history. Jesus Christ is easily the most dominant figure in all history."

-H. G. Wells

What motivated Jesus? How did His thinking manifest itself in the daily activity of life and ministry? How was it that in the face of rejection and even death itself, Jesus was submissive and even rejoiced? The answers to these questions and others can help us think about what it looks like to follow Him. Jesus's heart and habits are worth thinking about as a pattern for us to follow.

YOUTH GROUP

Youth and parents, please watch your emails and texts for times and information regarding Youth Group for the week.

If you have been sick, please remain home until recovered. Masks are required and social distancing will be practiced.

KIDS' GROUP

Kids' Group, for ages 1st - 5th grade, has been postponed until further notice. We have had to make some hard decisions, but feel like this is the wisest for us and the community at this time. We care about our children, and we are praying about other ways to minister and connect with families in our community. We are here for you! If you need anything, please do not hesitate to contact us.

Stop by the Welcome Center for more information about our family ministries.

Encouraging everyone to know Jesus and follow Him,
