This show series offers a glimpse of what the daily and extraordinary life of Jesus Christ and His followers may have been like some 2,000 years ago, and invites the viewer into His story.

## THE MONEY CLASS

The Money Class is a financial discipleship class that helps equip families and individuals with practical steps in key areas of one's financial walk. It gives hope, knowledge, and a system to become more generous and Godly with the financial resources that we as children of God are blessed to manage.

We cover areas like generosity, college funding, retirement, investing, insurance, debt elimination through the Ramsey method.

The class begins, Sunday, January 16 at 5:00 pm, consisting of five sessions offered every other week. If you have been through the class and want a refresher please come, if you know people that would like to attend please share, and if you are looking to grow in these areas please attend.

Thanks again, blessings,
